

How to initiate dialogue in Omnidesk

How to initiate dialogue in Omnidesk

1. Go to the app <https://wtargeted.com/settings> and copy a template that you want to use by using "Copy" button

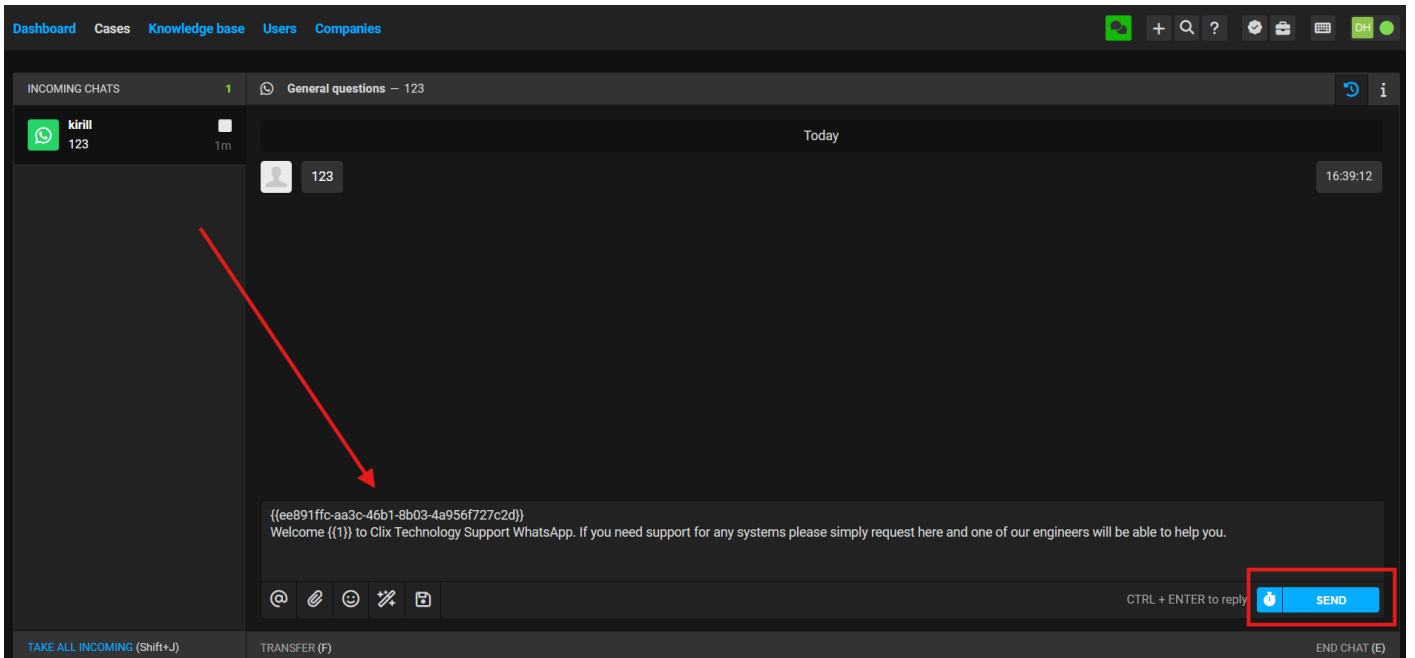

The screenshot displays the Omnidesk settings interface. At the top, there is a teal header bar. Below it, a search bar contains the number '44'. To the right of the search bar are buttons for 'Add', 'Remove', 'Show', and a refresh icon. The main content area is a grey card with a list of account statistics and action buttons. A red arrow points from the 'Approved templates' dropdown menu to the 'Copy' icon in the template list.
